— IN PROGRESS

Now

Virtual Assistant Program

ALX Africa

ClickUp · Google Workspace · AI tools · Travel planning

— SIGNATURE WORK

2022 · Present

Operations & Contracts Coordination

Cross-functional coordination across operations, finance and contracts, including invoice processing and monthly closing.

2020 · 22

Operations Accounts

Built the accounts function, partner reporting rhythm and audit-grade documentation.

2012 · 18

Chairman's & Board Secretary

Confidential correspondence, governance calendar, agendas and minutes; main contact with departments, partners and government bodies.

EARLIER

Four industries

Early career in aviation, oil & gas, hospitality and telecom, building service and communication foundations.

Profile

Seasoned administrative and executive-support professional, now building a career as a Virtual Assistant. I pair discretion, organisation and cross-cultural experience, gained across oil & gas, aviation, hospitality and telecom, with modern training in ClickUp, Google Workspace and AI tools. Adaptable, positive and committed, I meet every challenge with action and deliver results.

01

Executive-Level Discretion

Confidential correspondence, agendas and minutes handled with care.

02

Modern Tools

ClickUp, Google Workspace, Excel and AI tools, practised through ALX projects.

03

Travel & Logistics

Itineraries, bookings and budgets, including a complete business travel pack.
